

## **Regular Meeting Minutes**

### **Tiverton Recycling/landfill Committee**

**Thursday April 23, 2015**

**Town Hall, 343 Highland Road**

**Members present: Stephen Berlucchi, Steven Rys, Richard Guimond, Jeff Belli**

- **Approved minutes**
- **The Town has not received any word from DEM on status of application for a landfill extension request. Committee expects information will come as part of license renewal.**
- **S. Berlucchi will be requesting approval from town council for single source bid for trash/recycling containers for recreational areas. The bid is for twenty 32 gallon trash/recycling containers costing 20k with free delivery.**
- **S Rys requested information on process of how funds from recycling fees are handled. S Berlucchi is using a pass through balance account in which fees that are collected from recycling fees on tires, mattresses and construction debris is kept. The money is then used to pay invoices from recycling vendors. Any money that is left over at end of year is returned to general fund.**
- **Committee continues to look at a number of lots at the industrial park. Many of the lots are not easily developed. Most of the lots have major ledge out cropping that will make it difficult to develop. S. Berlucchi will follow up on some leads on other properties in town.**
- **R. Guimond asked if the rim needed to be removed from tire to recycle tire. recycling fact : NO need to have rims removed from tires**
- **Meeting Adjourn**

**Minutes prepared by Steven P Rys**
